We, Jala Arts & Crafts feel proud in introducing ourselves as one of the leading export firms for home decor in India.

About Us

Established in the year **2006**, **Jala Arts & Crafts**, is a widely known and innovative **manufacturer, exporter and supplier** of beautifully designed **Hand Tufted Bath Mats, Handicraft Bed Covers, Handicraft Crewel Embroidery Curtains, Handcrafted Photo Frame, Handcrafted Table Covers, Handcrafted Boxes and many more**. With vast range of products, we have everything that is required by the clients to make their place beautiful and worth to live in. Design in various patterns and styles, our products are ideal to add elegance and personality to each place. We have earned huge reputation over the years while increasing our clientele base that exhibits our unflinching standard of quality and durability we offer in our products. We are well-structured organization incorporating advance facilities and techniques to help creative team of craftsmen who source their inspiration from various regions of India to bring liveliness and elegance in our products. They are given ample opportunities to explore their creativity and talent by keeping them aligned with new methods and decorative material. Besides this, we keep ourselves adhered with high industrial standards that help us in developing our products in an organized and professional manner. Through large distribution network, we deliver our products within committed time frame. **Mr. Bilal Ahmad Dar**, our great mentor, has been heading the whole organization with an aim to keep beauty of handicraft...
