About Us

Jalandra DJ Speaker Industries was established in the year of 2011. We are leading OEM Manufacturer, supplier of DJ Speakers. e provide a wide range of speakers, which is attractive in design. These speakers come with high quality magnet, for better sound quality. Our range of speakers is light weight, and can be easily connected to the computer. These speakers are suitable for both domestic and commercial purposes. Moreover, these speakers prove useful in case of seminars and conferences. We also get these speakers customized to meet the clients requirements.

We are acknowledged in the industry as prominent manufacturers of excellent quality DJ Speaker, the range we are offering is delivered at stipulated time-frame. In order to maintain our quality standards, we firstly procure the quality approved basic materials from industry's reliable vendors.
