About Us

Jasmin Garments is a marketing and manufacturing group that was jointly founded in July 2009 by number of share holders from around the globe. The main objective of the company is to manufacture high quality of garments products and market locally, regionally and internationally. In line with this business objective the company aims mainly to access external markets.

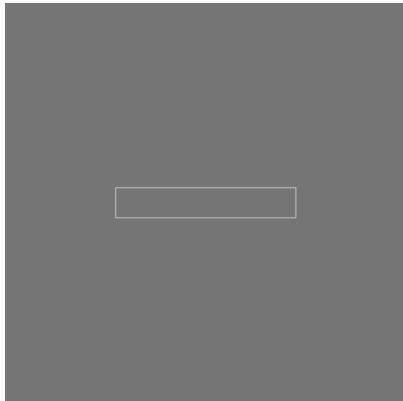

The companys business strategy is to forge strategic and mutual beneficial partnership with its customers and suppliers. By forging strategic partnership with our key share holders, we aim to establish an important foothold in key sectors of the markets in which we operate.
