Jai Ambe Fibre Glass

<https://www.indiamart.com/jay-ambe-fibreglass/>

We are widely recognized as a prime manufacturer and supplier of superior quality Acid Proofing Material. Besides, we are engaged in providing excellent Waterproofing Service as per the clients' requirements.

About Us

Established in the year **1997**, we, “**Jai Ambe Fibre Glass**”, are a corrosion engineers, contractor, manufacturer and supplier of **Acid Proofing Material**. Further, we also deliver premium level **Furan Powder, Brick Lining, Mastic Lining, Tile Lining, Epoxy Lining, FRP Lining, HDPE Lining, Carbon Furan, Sodium Silicate Powder, Phenolic, Epoxy, Bitumen Base Primer Coating, Sulphur Based Mortar, Furan Liquid** . These are ideally applicable to the sites that make use of acid/alkali proof tiles/bricks, acid resisting mortars and porous tiles. The exclusive array delivered by us comes under the category of infrequent products. Hence, in order to survive in the competitive market, we ensure that strict quality measures are implemented and maintained throughout the production stages up to the delivery of these products and services. For this purpose, we have employed well-trained and highly skilled professionals. We make sure that the quality control parameters documented by the head authority is strictly followed by our engineers. Apart from it, our experienced R&D experts take utmost efforts in conducting detail research on the upcoming market trends & technique, on a regular basis. This helps us to be in sync with the industry trends and cater to the high expectations of customers. Owing to the enduring support & guidance received from our mentor ‘**Mr. Hasmukh Patel**’, we have...
