About Us

Jaykay Interiors based in Piravom, has come to the forefront of leading office and home interior experts in South India within a short span of time, by the quality that is delivered on time.

Our success was mainly by the difference that we brought in style. Our dedicated team of creative designers and experienced work force turn your dreams in to reality within stipulated time.

Take total responsibility of the whole project from design to timely handover. Our effort is always to ensure an outstanding contemporary working or living in International Standard.

We thank all our clients for the opportunity given to make them delighted. Happiness of clients have always added to our profit, and repeated business. Our Design and Build Management System ensure a one point contact for the client, and we promise and deliver the best.
