About Us

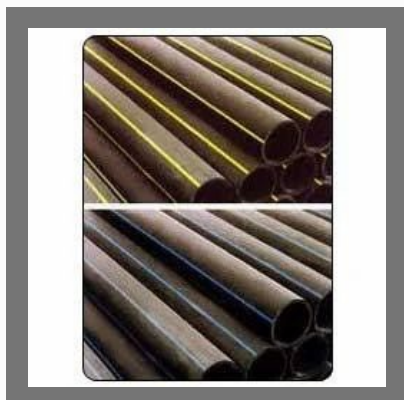

Established in the year 1972, “**Jaya Plastic Industries**” is a leading manufacturer, supplier and trader of superior quality **Industrial Pipes and Polythene**. Quality is the focal point of our organizational operations, thus we adopt strict quality testing procedures to provide optimum quality products. Our extensive quality checks include process inspection, final inspection, pre-dispatch inspection, rework-rejection analysis as well as corrective & preventive actions that help us to make our products defect free. We offer our products at market leading prices and apart from this, to make the transactions simpler and easier we accept payment via various modes such as cash, cheque, credit card, demand draft and online payment for the convenience of our clients. Our products are packed in high quality packaging material and dispatched by road as well as air. Moreover, we have established a reliable client base across domestic regions like **Madhya Pradesh, Jharkhand and Chhatisgarh and International Markets** as well that have raised the bar of our turnover to **Rs. 4 Crore** per annum. Moreover, our manufacturing unit is also in compliance with Governmental Standards of safety and environmental friendliness. The consistent efforts and dynamic leadership of our esteemed mentor, '**Mr. Bharat Shah**', have backed us to carve a niche for ourselves in the industry. His vast industry experience and sharp...
