We are actively engaged in manufacturing, supplying, trading and exporting a wide range of Shopping Bags. These bags have gained huge acceptance due to its high strength, durability and moisture-proof property.

## About Us

Established in the year **1991**, we, **Jayco Fabs**, are one of the leading manufacturers, suppliers, traders and exporters and importers of a wide range of Shopping Bags. Our product range consists of Carry Bags, Supermarket Bags, Nonwoven Bag Printing Machine, Eco Friendly Promotional Bags and Shopping Carry Bags. We designed all offered products in compliance with international quality norms, using optimum grade basic material and modern machinery with progressive technology. Our offered bags are widely used for shopping purposes and are known for their reliability, moisture resistance, durability and dimensional accuracy.

We are backed by a well equipped and designed infrastructure unit. Our infrastructure is spread over a vast area of the land and parted into different working divisions. To operate these divided units, we have hired a team of skilled and well qualified professionals. We make division of our infrastructure, so that all the process can be carried out simultaneously without any interruption. We have selected our professionals on the basis of their education and working experience. With the help of our skilled workforce and sound infrastructure facility, we are able to cater the bulk requirements of the offered products in committed frame of time.

Under the valuable direction of our mentor, **Mr. Vasant Manek**, we are able to fulfill our client diverse requirement in effective manner. Because of his customer and...
