About Us

We specialise in world class cuisine and experience at a rational price. We believe in creating an experience where uniqueness lies in its elegance and refinement which is brought alive by caring and personalised service in a warm and vibrant environment.

We ensure high standards of safety and hygiene in all we do.

We are driven by passion - We never make compromises, be it the quality of ingredients, authenticity of the cuisine or the skill of the Chef. We always ensure the best. Customer feedback is of paramount importance to us. The menu planning, the service standards, systems and procedures are constantly being enhanced to match customer expectations on a day to day basis.
