About Us

“**Jay Interior**”, is taking giant strides towards becoming one of the prominent **Manufacturers** and **Suppliers** of a wide collection of **Kitchen Baskets, Soap Dishes, Liquid Soap Dispensers, Bathroom Napkin Rings, Bathroom Accessories**, etc. Under the visionary guidance of the Owner “**Mr. Jay Soni**”, the company aims at growing at a faster pace each year. The ultimate objective of the company is to be the very best in its domain. Established in the year **2011**, at **Rajkot (Gujarat, India)**, we have developed a state-of-the-art infrastructural facility that helps us to bring forth a wide collection of home accessories in numerous specifications. We have further divided this infrastructural unit into numerous departments like admin, R & D, procurement, sales, production, packaging, and many more. All these departments are controlled under the direction of our experienced and talented team members. Apart from this, we have become the preferred choice of the clients due to our ethical business policies, flexible mode of payment, client centric approach and punctual delivery.

The entire range of home accessories is widely appreciated by the clients for its exquisite looks, flawless finish, perfect design, excellent design, durability and optimum quality. Offered home accessories are manufactured using the best grade raw material that we sourced from the well known vendors of the market and the...
