About Us

“**Jay Khodiyar Polymers**”, is a well-known entity established in the year **2010**, at **Rajkot, (Gujarat, India)**. Our company is a prominent **manufacturer and exporter** of high quality range of **HDPE Pipe and MDPE Pipe**.

At our well-installed testing department, the entire collection is preciously examined, right from the procurement of raw material to the final dispatch of the finished products to the customers. We have hired a team of experienced quality inspectors that empower us to offer these products in accordance with the international standards. They inspect the offered products on pre-defined parameters to ensure their quality and durability. To provide a protective atmosphere to the finished products, we have constructed and developed a large warehouse that is facilitated with all the required amenities. We are able to deliver the products to our customers within the stipulated time frame with the help of our efficient transport facility. Additionally, our on-time delivery, client-centric approach, transparent dealings and easy payment modes make us competent to become the preferred choice of our customers and achieve the utmost position in the industry.
