Jayraj Marketing

<https://www.indiamart.com/jayrajmarketing/>

Jayraj Marketing is one of the leading distributors dealing mainly in **construction related products**. They cater to the requirements of various prominent industries.

About Us

A well-recognized name in the field of Construction Related Products, we provide excellent quality products that are designed & well finished so as to meet the emerging market requirements. We have constantly asserted on the business principle of "superior quality, best service & reliability", through which we have won the trust of clients both at national and international. The categories under which the products fall include Shanu, Royal touch, Dow Corning, Saint-Gobain, Alstone, McCoy, Alualpha, Supreme, Krishna, Willtech and many more.

Our organization is headed by Mr. Raju Fofaria, who is experienced in their domain and has high business knowledge. We are managed by qualified and experienced professionals who are dedicated towards their responsibilities. Their objective is to give innovative and qualitative products to our clients. They use sophisticated technologies and modern machines so that they can manufacture the premium quality products. Our quality controller team checks the quality of our collection of products to offer the flawless products. Our goal is to bring forth the products to our clients at negotiable cost.
