About Us

Jayshree Industries was established in the year 1990. We are manufacturer, exporter, wholesaler, retailer, trader and supplier of Washed Silica Sand and Bentonite Clay. We offer comprehensive range of clays and minerals that are purest in nature and free from any sort of impurity. With a state-of-the-art infrastructure to support our processes, we are efficient enough to undertake manufacturing assignments as per the requirements of the clients. We have hired a team of highly trained, competent and experienced professionals, who give their best effort towards our organization and work hard to offer a varied range to our valued clients. Also, our wide assortment is well recognized in many industries such as steel, copper, glass, fertilizer and power industry for different industrial purposes.

Under the able leadership of our founder, Mr. Rajendra Thacker, our company able to carve a niche for ourselves in this domain. Also, we are capable to maintain pace with the latest trend and demand of the market situations. With the assistance of state of the art infrastructure, R & D personals, competent team and quality controllers, we are able to formulate the purest form and high density of chemicals. These minerals and chemicals offered by us are of top-notch quality and adhere by the standard norms and quality tests.
