

Jayveer Enterprise

<https://www.indiamart.com/jayveer-enterprise/>

Manufacturer, exporter & supplier of **LED Bulb, LED Street Light, LED Flood Light, Solar LED Street Light, LED Home Light, LED Light Bar, Explosion Proof LED Light** and all kind of Solar and LED solutions.

About Us

Established in the year **2010**, we, **Jayveer Enterprise**, have forayed into the business of manufacturing, exporting and supplying a wide range of LED and Solar products. Our product range includes **High Bay Lights, Aluminum Die Cast Components, Die Cast Components, CNC Metal Stamping Part, RGB LED Wall Washer, Heatsink, Solar Garden Street Lights, LED Street Light 9W etc.**

We understand the difficulty behind establishing oneself as a bankable name in the industry, therefore, our aim is to effectively serve our clients and cater to their varied needs. For earning the trust of our clients, we focus on R&D. It helps us to grow by improvising on our strengths. We ensure that we will leave no stone unturned to serve our clients with utmost satisfaction. Our founder & CEO, **Mr. Chetan Panchal**, has been the force behind the establishment of our organization. His vision and experience has been the source of encouragement for us to enter the business. Under his guidance, we aim to satisfactorily cater to the varied needs of our clients and strengthen our existing client base.
