J. B. Sawant Engineering Pvt. Ltd.

<https://www.indiamart.com/jbsawant-engg/>

We are reckoned as an eminent manufacturer, supplier, importer and exporter of Vacuum, Pressure and Compressor Pumps. These precision engineered pumps are favoured for their outstanding characteristics and wide application usage.

About Us

Established in the year **1972**, we, '**J. B. Sawant Engineering Pvt Ltd.**' have been manufacturing, supplying, importing and exporting an extensive range of **Vacuum, Pressure and Compressor Pumps**. We have installed sophisticated technologies and advanced machines in our production unit that facilitate in customizing each pump as per the clients' detailed specifications. Our trained engineers make use of quality assured raw material to ensure durable finish standards of these pumps. Known for their dimensional accuracy, optimum performance and low maintenance, these pumps are applicable in chemical, petrochemical, sugar, pharmaceutical, oil and other allied industries. Available in the market with a brand name **JEBIVAK**, these pumps have been accredited with certification from **Indian Vacuum Society** in **1997**. Our ethical business practices and prompt after sales services have enabled us to acquire a huge base of satisfied clients in **North Europe, Indian Subcontinent, Middle East, North America** and **South/West Europe**. We have build an amiable relationship with some of our esteemed clients like **NPCIL, BARS** and **Hindustan Lever**. Furthermore, our transparent transaction process has facilitated the clients to make payment via **cheque, DD, credit card** and **cash**. Under the supervision of our mentor, '**Mr. Sunil G....**
