We are a foremost Manufacturer and Supplier of wide range of Pneumatic Spare Parts, Precision Machine Parts, CNC Turned Parts, Power Tool Spare Parts, etc. These spare parts are manufactured in compliance with industry set norms.

## About Us

Founded in the year **1993**, we “**Jemy Enterprise**” are leading organization affianced in **manufacturing** and **supplying** qualitative array of **Pneumatic Spare Parts, Precision Machine Parts, CNC Turned Parts, Power Tool Spare Parts**, etc. These spare parts are widely demanded in automobile, machine manufacturing industries, engineering and other several industries. Offered spare parts are manufactured with high precision from premium quality raw material and sophisticated technology. We assure our clients that these spare parts are manufactured in compliance with industry set norms. Raw materials which we used in the manufacturing process of these spare parts are sourced from the well known vendors of the market. Provided spare parts are highly treasured among our clients due to their precise design, accurate dimensions, excellent strength, rust resistance and durability. Besides, we provide these spare parts in large quantity within promised time frame at reasonable rates.

Under the headship of our **Owner “Mr. Kishore Lalitbhai Gelot”**, we have gained tremendous success in this domain. To meet the different needs of the clients in a timely manner, we have constructed a huge and ultramodern infrastructural unit that is located at **Ahmedabad (Gujarat, India)**. We have further divided this infrastructural unit into several capacious and well functional departments like admin, quality testing, R & D,...
