About Us

J K INTERNATIONAL which started its operations as far back as 2000 is proud to say that it has established its position as one of the leading suppliers of printing material and ESD material, anti-static electronic material in INDIA and Internationally. Our company has achieved continual and stable development due to all staff members hard-work in the past 10 years. At present, we have become the important and exporter anti-electrostatic equipment and printing material. Our principle is science and technology innovation, quality first, customer above all and faithful service. It is also the unchangeable tenet with which we compete in business circles. With the strong R&D department and the adoption of high-tech materials, we keep improving the quality of ESD equipment products. We serve for the electric information industry worldwide with continuing innovative products. If you are interested in our product, please do not hesitate to contact us for cooperation.
