# New J.K. Industries

<https://www.indiamart.com/jkindus/>

We are a prominent manufacturer, supplier and exporter of Sheet Metal Machine, We also provide the installation service.

## About Us

We were conceptualized with a vision to build a strong industry Of Sheet Metal Machine. From then, we have shown a phenomenal development by managing our systems producing strong, sturdy products with best engineered standards and specifications. The products speak of the quality materials that we use in making them durable. The functional life of our products need a special mention as there are no complaints of any sort and our after sales service department is highly effective. We take extra responsibility of installing the machines and are always there at call for the customers to solve their queries and problems. Our high productivity is due to the cumulative effects of different systems working in the company with efficiency be it the manufacturing unit, the R & D unit, our administration, marketing team or the delivery and packaging system. Our competent team has potentialities and skills that match the quality of our products. Customers being our pivot we strive hard to satisfy them in meeting the industrial requirements. They have developed a trust and confidence which has added value to our industry. We have attained a reputation with successive benchmarks and positive signs for progress and growth are seen in the industry. We have dreams of diversification and going global.
