# Natesan Mudaliar Chidambaram (Prop. J K Metallurgical Servic)

<https://www.indiamart.com/jkmetallurgicalservices/>

We are the leading service provider for Wet Chemical Analysis, Chemical Testing and Mechanical Testing. These services are provided as per the client's requirements at industry leading prices.

## About Us

**Jk Metallurgical Services** was established in the year **2005** with a vision to serve its clients from different industries by providing high quality services for metal testing. With our headquarters situated at **Chennai, Tamil Nadu (India)**, our company is executing its all business operations as a **Sole Proprietorship** based firm in the industry. Our conversant and competent professionals do thorough research in the market in order to process these services which go perfectly in accordance to set market norms. Our services include **Wet Chemical Analysis, Chemical Testing and Mechanical Testing**. Our edge has dependably been the expense advantage that we are putting forth to our customers without trading off on the service guidelines and the exactness of our tests. This has helped us in accomplishing a name that is synonymous with quality, unwavering quality and affordability. Our aim is only maintaining a healthy, safety and understanding relationship with our customers and, it can be manifested by the excellent satisfaction they feel by being with us. **J K Metallurgical Services** was founded in the year **1981** by **Shri N. Chidambaram** who possesses more than three decades of experience in the metal testing industry. Under the outstanding cautiousness of our fastidious guide and **proprietor, Mr. Chidambaram N**, we have made a very recognized position in the business sector. He generally keeps an eye of check kept up on...
