## About Us

**JN Arora Group** is one of the oldest group of companies in the business of supplying printing consumables. We had started our business more than 50 years ago with a humble beginning in the form of a small shop. Since then, we have expanded our operations of marketing printing consumables both in terms of geographical coverage as well as the range of products being sold now. We have a network of 8 own locations in Delhi alone and sub-dealers throughout India. Our product range includes Screen Mesh, Screen Inks, UV Inks, UV Varnishes, Screen Making Chemicals and Emulsions, Double Side Tapes, Label Stocks, Paper Gum Sheets, Adhesives, Squeezes, Squeeze Handles, Frames, Adhesive Sprays and Maintenance Products, etc. We have dedicated matching centre to service our customers with special color matches for screen, pad printings, offsets, letterpress inks. Also, we match UV inks for screens, offsets, dry-offsets and letterpresses. In the printing fraternity in India, our name is synonymous with providing best of service to our customers. Our main emphasis is to make a complete one stop solution for the requirements of printers with the motto of **"Service with technology"**.
