About Us

Established in the year **2013**, in **Rajkot (Gujarat, India)**, we “**JNS Architecture**” are the leading Industry in Interior Design and Architecture. Our infrastructure is well-divided in to assorted sub-units like procurement, production, research & development, quality testing, etc. Well-armed with modern tools & machinery, this infrastructural department assists us to meet the needs of our respected customers in a committed time frame. Our timely delivery, simple payment options, transparent dealing & client-centric approach, helped us to gain a unique place in the industry.

We are well-supported by a team of skilled personnel, who have rich experience & knowledge in their working sphere. The offered products are widely demanded in the market for their unique attributes. In order to make sure their quality, the provided products are well-tested by our skilled quality controllers on assorted parameters of quality. The main purpose is to furnish the needs of our cherished patrons; we offer all our products in assorted packaging options according to their provided details. Further, we also receive payments through assorted options such as cash, DD & cheque for customers' comfort.

We are guided by our experienced and knowledgeable mentors, “**Mr. Haresh Sakariya** and **Mr. Jayesh Sakariya** ”, who are the renowned name in the industry. Their sharp business acumen, rich industry...
