## About Us

"**Just Organik**" is a brand owned and launched by Treta Agro Pvt. Ltd., providing excellent quality of **Organic Pulses, Organic Lentils, Organic Rice, Organic Spices, Organic Sweeteners (Honey and Sugar), Organic Tea and Coffee and Organic and Natural Personal Care**. Treta Agro is an agriculture produce oriented group, based out of **Kashipur**, a beautiful town at the foothills of **Uttarakhand** with corporate office at Gurgaon. Having been associated with various agricultural activities, like seed plant, cold storage etc. for last 25 years, the group has been always been known for the quality. Organic Products is one more step in ensuring that the quality is never compromised. As a group, we are committed to provide the products that have the healing touch of Mother Nature even while under preparation, rather than producing negative effects on nature and body through strict control of the processes and quality of ingredients. In order to provide the best products, we are working directly with farmers and farmer groups to educate them to move towards organic farming and at the same time ensuring their reach to the market. Our constant endeavor is to educate about the dangers poised by uncontrolled use of chemicals and pesticides. In the process to also provide some support to these farmers we pledge a certain portion of our revenue for the betterment of their lives. Offered products are tested on several quality parameters to provide natural...
