

# J. V. Corporation

<https://www.indiamart.com/jvcorporation/>

We are one among the leading distributor and trader of various type of Industrial Products and Graphite Crucibles, which meets the needs of Non-Ferrous and Ferrous Industry.

## About Us

We, **J.V. Corporation**, with our establishment in Kolkata, West Bengal, India, and with our 50 years of experience, have been successful in serving a huge clientele with our qualitative range of products. The manufacturing unit in-house is well equipped with all the facilities and machinery that helps us to meet the client's requirements in bulk. The sophisticated machinery we are equipped with helps us to deliver qualitative products. Our company has employed 'Quality Control Policy' as the business strategy, via which we stand as one among the highly demanded manufacturers and exporters in the market. We have a separate team of quality inspectors, who check the products on various parameters, hence ensuring the quality is maintained. The research and development team conducts an intense research in the market and adapts the latest trends and techniques, via which we manufacture innovative products. With our highly skilled personnel and wide distribution network, we have been successful in meeting the requirements of our clients that are spread all across the globe. We, being a client centric company ensure that ethical business policies are employed and transparency is ensured at each and every step of our processes.
