## About Us

Established in the year **2000** at **Ludhiana (Punjab, India)**, we “**Kabir Steels**” are a **Sole Proprietorship** firm and a leading **manufacturer** and **supplier** of excellent quality range of **Stainless Steel Railing, Stainless Steel Gates, Stainless Steel Grill, Stainless Steel Windows**, etc. These products are precisely manufactured using high-grade stainless steel with the help of progressive technology under the management of our skilled and experienced professionals. Offered products are manufactured in compliance with international quality standards. Further, these products are highly appreciated for features like corrosion resistance, rugged construction, high strength, durable finish standards, etc. Offered products are available in numerous specifications as per the exact needs of the clients.

We have built a modern infrastructural base that sprawls over a wide area for enabling fast and bulk production. We have built a reliable in house quality testing unit for the stringent testing of these products. Besides, advanced manufacturing process and ethical business policies are followed at our organization that help us to gain a high market position. We never compromise with quality of our products and this has been the main reason behind our constant growth in this domain. Additionally, we are engaged in providing **Stainless Steel Fabrication** service. For effectively rendering these services, we have a team...
