## About Us

Incorporated in the year 1984, **Kailash Krishi Yantra Udyog** has carved a niche by successfully handling various processes in an efficient manner. On one hand we are manufacturing and supplying the quality range of **Agricultural Equipment, Plough Equipment and Threshers** and on the other hand efficient Servicing & Maintenance is provided by us. Not only this, wide array of **Field Cultivators** are imported from the reliable vendors, in order to serve our clients efficiently. Products manufactured by us comprise **Heavy Duty Rigid Tillers, Heavy Duty Spring Loaded Tillers, Reversible Disc Ploughs, Multi Crop Cutter Threshers** and more. Range imported by us comprises **Multi Crop Cutter Threshers, Chaff Cutters and Multi-Crop Threshers**. Products offered by us are known for reliability, tough construction, corrosion resistance, easy maintenance, efficiency and elongated service life. Customers can avail our range in standard and customized form at most affordable prices. Products offered by us are excessively demanded for agricultural work. Keeping clients ease in mind, we also provide efficient servicing and maintenance of our range. Guidance of our owner **MR. Kailash Chand Sharma** and our manager **Mr. Rajkumar Sharma** has helped us to achieve success. Their support and guidance has always motivated us to come up with innovative ideas, which would help us to carry our business operations in an efficient manner. They always...
