About Us

Incorporated in the year **1998**, **Kalindi Enterprises** is a distinguished business name readily involved in **Wholesaling, Trading and Supplying of Digital Radiography System, Dryview Film Laser Printer, X-Ray System, Dental Equipment, Radiology Products and many more**. As well, we guarantee that only highly innovative tools and techniques are utilized in the production procedure of our provided collection of products. Available with us in a number of specifications, these products are hugely demanded amid our esteemed patrons.

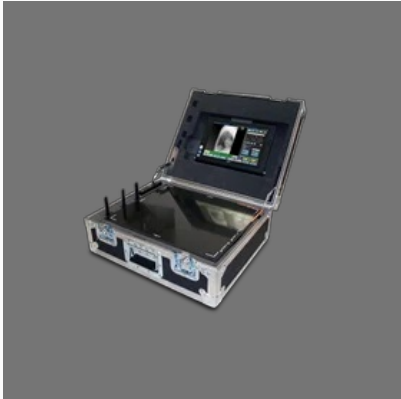

Since we have incorporated in this market-place, we have developed for ourselves an enormous infrastructural facility which is spread over a huge area of land and is assisting us in fulfilling the altering desires of our clients in the best possible manner. Segregated into a number of subdivisions, this assists us in completing all the orders with excellence in between the promised span of time. With an aim to acquire chief place in the industry, we have been working devotedly beneath the management and supervision of **Mr. Sanjay Kothari**. It is only beneath his direction that we have been capable to accomplish the trust and satisfaction of our customers.
