Kalyani Namkeens Private Limited

<https://www.indiamart.com/kalyaninamkeens/>

We are successfully ranked as the leading Manufacture, Exporter and Supplier of Masala and Crispy Khakra. Our range is preferred because of longer shelf life, exquisite taste and superior quality.

About Us

Established in the year **1999**, at **Pune (Maharashtra, India)**, we, **Kalyani Namkeen Pvt. Ltd.**, are the foremost **Manufacturer** of **Masala Khakhra, Pani Puri Khakhra, Spanish Tomato Khakhra and many more**. Our product range is processed from the high quality raw material that is directly sourced from the farms. By following fair business policies, we have stabilized our position in the market and have covered major markets across the world. These products are highly appreciated for their high nutrition value, exquisite taste and freshness. The offered range is available in various sizes, flavours and other related specifications as per the needs of clients. We are backed by a highly advanced and well-established infrastructure that is equipped with all the machinery required for the processing of our product range. Our infrastructure segregated into different units like processing, quality testing, warehouse and packaging and others that support us in meeting bulk demands within assured time frame. These units are well-maintained by our highly experienced professionals. Backed by a sophisticated warehousing unit and a team of adroit professionals, we are able to provide our clients a high quality product range as per their specific requirements. We understand the need of proper hygiene level at each level of processing and packaging. Hence, we have aligned a team of quality controllers who ensure that no carelessness seeps in. Also,...
