About Us

Established in the year **2012**, **Kamakshi Design Studio** is one of the distinguished names indulged in the business of **Manufacturing, Trading, Wholesaling** and **Supplying** to our patrons a quality rich compilation of **Clothes**. Fabricated and designed in tune with the present fashion developments and trends, our presented variety of clothes comprises of **Ladies Suit, Kids Suits, Ethnic Wear, Western Outfits, Women Night Dress, Anarkali Suit and Ladies Business Suit**. The fabrics, yarns and threads utilized in their fabricating process are obtained from trusted, reliable and capable vendors of the market after stern quality tests. Not only this, these are available with us in a number of patterns, colors and designs to match with their requirements.

Quality is an important factor for our company, thus we assure of preserving it in all our offered product variety. Using quality assured inputs, we are producing our products at a well-armed infrastructural facility. Also, this facility is been segregated into a number of units to ensure a trouble-free functioning at our premises. Some of the units in which our company is divided comprise production, quality testing unit, warehousing & packing and R & D. All these units are working in close harmony with one another. Moreover, these are managed by their respective executives who hold vast understanding in this arena.

From the day we have incepted ourselves in this industry,...
