

Kamatchi Packing Works

<https://www.indiamart.com/kamatchi-packingworks/>

We are a famous manufacturer and supplier of quality approved array of Packaging Material. Offered products are widely admired across the market for their high strength and optimum quality.

About Us

Established in the year **1995**, we **Kamatchi Packing Works** has earned a great deal of experience in manufacturing and supplying a vast range of Packaging Material. Our offered products are Air Bubble Rolls, Stretch Films and Stretch Film Rolls. We have ensured that these high-end sophisticated products have been manufactured using materials which have been tested for its high grade quality. The overall finish and durability of these products is widely appreciated by our clients across the globe. We have now earned great deal of goodwill across a wide array of market domains which has further enhanced our experience in delivering products as per the major requirements of the relevant industrial domain we cater to. We acknowledge the need to have a highly reputed quality check process which also enables us to provide defect free products as per the specific requirements of our clients.

In order to cater to the ever rising demands of the respective market domains which we cater to, we have developed one of the most superior infrastructural facilities. We have systematically divided the complete manufacturing with various departments such as production, quality control, administrative, research and development, logistics, warehousing and packaging and many others. The machinery which we have chosen to power our manufacturing process has been built to provide quality centric output which is also reflected in range of technical products which we offer. We...
