Exporter and supplier of blanched peanuts, shelled peanuts, skinned peanuts.

About Us

Kanchan Agro & Food Industry is an eminent Exporter and Supplier of the best quality Peanuts. The variety of Peanuts which we provide includes Blanched Peanuts and Shelled Peanuts. These Groundnuts are sourced from local mandi and farmer and processed into Peanuts. We provide the Peanuts to our esteemed clients in excellent packaging and at market leading rates. The quality of Peanut crops is excellent, besides they are graded and sorted efficiently which ensures less foreign materials and Imperfect peanuts at the time of delivery. Every consignment is available with Lab certificate for the assurance of Aflatoxin and other content to be in certain limits.

Our dedicated professionals work in close coordination to deliver the products within stipulated time frame. Our company conducts every business operation in compliance with both the customers as well as industry regulators. Besides, continuous improvement in the quality also remains in our prime concern. These have won the loyalty of customers over the freshness, perfect taste, hygiene factor, nutrition and purity.
