Kannect Engineers Private Limited

<https://www.indiamart.com/kannectservices/>

Kannect Engineers Private Limited is a leading **Wholesale Trader** of Operated Meters, Digital Panel Meters, Direct Connected Meters, Energy Meter, Secure Electric Meter etc.

About Us

We, at **Kannect Engineers Private Limited**, are a prestigious enterprise that was established in **2010** in **Faridabad, India** as the prime **Wholesale Trader** of **Operated Meters, Digital Panel Meters, Direct Connected Meters, Energy Meter, Secure Electric Meter** etc. We also provide the **Digital Meter Installation Service** to our clients. These products have been procured by our firm from the most trusted manufacturers in the industry. Before we supply such products to our customers, our team ascertains that all these goods have been in compliance with industry norms and certifications. Keeping in mind the fact that safety is of extreme importance in such appliances our team of suppliers takes every precaution to ascertain that these products have been taken through rigorous quality testing before being delivered for use. Our reliability and prompt services have made our clients depend on us greatly for their business needs. Managed under the inventive yet practical guidance of **Mr. Satiram Tewatia**, we have acquired the topmost position in the industry as a leading supplier to date.
