About Us

Established in the year **1993**, we, **Kan Power Rubber Industries** have been efficiently catering to the growing customer's preferences with products they desires as well as by making fair business dealings with them. A sole proprietorship owned organization, we have focused our all endeavors towards **Manufacturing, Wholesaling and Retailing** of a precision engineered array of **Hose Pipes, Hydraulic Hoses, PVC Hoses, Rubber Sheets, Flexible Hoses, Industrial Hoses** and **much more**. We have been successful in expanding our networks across the nation and earning maximum support of clients by offering them products as per their aspirations. Our entire gamut is designed accurately by specialized personnel, by keeping in mind the upcoming desires of clients. Clients are also facilitated with an option of custom made solutions, in which, we accept the details specified by customers and products are designed accordingly. Transparent dealings with customers, cost effective and desirable solutions to clients, assurance to make delivery of products on time and ethical policies are some most important factors that have made our products the favored choice of large customers. The honorable proprietor of Kan Power Rubber Industries, **Mr. Sandeep Dharewa**, has enabled an organization to grow and reach the height of success in industry. The position we are enjoying today in industry is just because of his sound knowledge and rich experience...
