About Us

K.A. Poultry Farm™ started its business operations in the year **2002** at Tirupur, Tamil Nadu in India. With a decade long market presence, we have emerged as one of the prominent organizations involved in processing and supplying wide spread range of **Eggs, Poultry Farm Turkey Chicks and Poultry Farm Chicks**. Our product range includes **Chicken Eggs, Chicken Chicks, Turkey Eggs and Turkey Chicks**. Additionally, we also provide most reliable **Poultry Consultation Services** to our valuable clients. With the on going efforts and support of "Mr. K. Paramasivam", our Managing Director, we are able to expand our business throughout the nation. His support has enabled us to offer highly reliable and accurate Poultry Consultation Services to our customers.

Our poultry products are accredited in the market for their superior quality, safe packaging, high nutritional values, reliability, proteinaceous, low on fat and high pedigree. Apart from that the Poultry Consultation Services offered by us are accurate, timely executed and highly beneficial. To feed our chicks as well as hens, we procure highly nutritional supplements from the trusted sources. Regular examination is carried out to ensure that there is no chance of the disease outspread. Besides, we make use of modernized incubators as well as poultry appliances to ensure that the rearing process is carried as per the set standards of Industry.
