Kartar Engineering Works

<https://www.indiamart.com/kartar-engineering-works/>

We are counted as a well established and reputed manufacturer and supplier of four wheeler spare parts. Our entire range is highly appreciated among our customers due to their reliable performance and non-corrosive properties.

About Us

Founded in the year 1951, at Ludhiana, (Punjab, India), we “**Kartar Engineering Works**” are one of the leading **manufacturers** and **suppliers** of **Four Wheeler Spare Parts** of premium quality. We have established ourselves as a sole proprietorship firm and over time have also gained a good reputation in the market through our quality range of products. We have a wide range of these spare parts that includes **Maruti Spare Parts, Shakes, Shackle Assemblies, Gypsy, Van and Jeep Spare Parts, Tata Spare Parts & Rear Spring Shackle**. Our spare parts are acknowledged for their features like providing longer service life and giving excellent performance. In our manufacturing unit, we make use of high precision chain bending machines to get the uniform and precise shapes and sizes. Our entire range of products is manufactured using quality raw materials and utilizing the latest process technology, ensuring its defined quality standard. The entire range is inspected on various quality parameters in order to ensure that we are delivering nothing less than the best to our customers. Furthermore, we provide customized solutions as per the unique requirements of our esteemed customers. Owing to our transparent dealings and ethical policies, we have managed to gain lucrative deals and earned the due respect in the market as a trusted manufacturer of this industry. Under the able guidance of our owner and mentor, Mr....
