We are one of the leading manufactures and suppliers of an extensive range of Auto Parts. These are available in numerous specifications and dimensions that meet the various requirements of automobile industry.

About Us

Incepted in the year **1986**, **K. Deep Industries** is most reliable manufacturers and suppliers of a comprehensive range of **Auto Parts**. These auto parts find huge demand in the industry for **their durability, easy installation and corrosion resistance characteristics**. Our range caters to the various requirements of our clients in efficient manner. We are supported with advanced and sound infrastructure facility that consists of manufacturing unit, R&D unit, warehousing and packaging unit. These units are highly upgraded and help us in offering unmatched quality of products to our clients. To provide international standard products to our clients, we keep themselves abreast with industry developments. Our organization is managed by a team of experienced professionals who help us in meeting the individual requirement of clients in the best possible manner. In order to make hassle free transaction with us, we also accept easy modes of payment such as **cash, DD and cheque**. We also follow ethical business policies in our business area. To achieve the maximum satisfaction level of our clients, we keep transparency in dealings. Moreover, owing to our timely delivery services, competitive prices and superior range, we have carved a niche for ourselves in the industry.
