K Designs [Mumbai] is a highly recognized organization engaged in **Manufacturing, Exporting and Trading of Gents Wallets, Ladies Wallets, Designer Belts and much more.**

About Us

Exquisite workmanship combines with consistent quality to give you a labor of love, for us at ' **K Designs**' this is an ongoing quest, the central motif of our entire business. Our aim and inspiration are simple – Perfection. This unstinting commitment to quality, infused with our glorious Indian values has been appreciated and applauded in the international markets of West Germany, France, U.K, and Australia.

"K Designs" is a sister concern of a parent company **"Indian Art Industries"** which are started in 1957. Manufacturing Ladies handbags, Belts, Wallets, Traveling goods, etc. in genuine leather. Under the able stewardship Of Mr.B.M.Kharat & Miss Kavita Kharat today it commands a respectable presence on the global scene.

Enjoying a highly motivated & skilled workforce on machines imported from Germany, Italy, and Czechoslovakia. Making each piece as per the designs and specification of the buyer and to the international standards, they have come to expect of us a true example of our professionalism is our time-based production performances which ensure that our export-oriented thrust is fully backed up by a competent and on-time production ethic.

The future holds bright prospects, not ones to rest on our laurels our intent to consolidate our formidable presence and export into other international markets too. We have plans on the anvil for the introduction of other leather items like corporate...
