

Kedar Enterprises

<https://www.indiamart.com/kedar-enterprises/>

We are a prominent trader and supplier of a quality assured collection of Hammer and Grinder Tools. Offered tools are extremely recognized for their compact design, durability, long life and sturdy construction.

About Us

Established in the year **2010**, we, '**Kedar Enterprises** ', are counted among the reputed trader and suppliers of **Hammer and Grinder Tools**. These products are manufactured with the use of premium grade raw material and technically advanced methodologies at our vendors unit. The entire product line is procured from authorized and certified manufacturers. Our products are highly recommended to be used in automobile, engineering, mechanical, construction, manufacturing and other related industries. Manufactured in adherence with the guidelines of quality standards, these products are acclaimed in the market for their robust construction, optimum functionality and dimensional accuracy. Keeping in mind the specific requirements of our clients, we offer them with customized range of products that are manufactured in accordance to the clients' specifications. We have constructed a capacious warehousing unit for keeping our products in a safe and proper manner. Furthermore, owing to the assistance of our efficient logistics department and rich vendor base, we have been successful in expanding our operations in the entire domestic market. We deal in Hitachi, Makita etc brand. We have thrived under the able guidance of our mentor, '**Mr. Sachin Dhande**'. Owing to his management capabilities, business acumen and in-depth product knowledge, we have been able to gain credibility in the market.
