About Us

Incepted in the year 2000, "**Kesho Packaging Pvt. Ltd.**" promised to give solutions in packaging. We manufacture printed corrugated boxes, corrugated sheets, mono cartons etc. We have adequate manufacturing facility to give packing solution to our wide spread clients under the able guidance of our mentor **Shri. Vikas Goyal**.

Our effective design capability and stringent quality control norms has enabled us to meet the desire standards. We also have quality experts to offer flow less products of international standards. Backend by dedicated team to customize the boxes in various dimensions as per specification of our clients. Our boxes are of precised dimensions, leased permeability and moisture resistant.

Located at **Gautam Budh Nagar, Greater Noida, UP (India)**, our organization is integrated with state-of-the-art manufacturing unit, which helps in producing corrugated boxes in large scale. With our extensive research work, we are able to enhance the production techniques as well as the quality of our existing products. It is due to our modern testing unit, we are able to maintain international quality standards in the entire product range. Owing to our wide distribution network, we are able to deliver huge consignment to our esteemed clients within the promised time frame.
