## About Us

During the funeral of late M.G.Joseph of M/s Jos Electricals, Ernakulam an electrical trader on 2nd April, 1981, it was noticed by the stalwarts of Electric Trades present there that wreaths were laid, representing all sections of trade, except one representing the electrical goods trade. This was the impetus or nucleus, which later gave birth to KETA. Late P.D. John who was present there rose to the need of the hour and immediately arranged a wreath in the name of the electrical goods dealers. Subsequently he had discussions with many electrical traders and invited opinions from other leading dealers like Mr.M.C.John, Mr.A.J.Francis, Mr.M.G.Menon, Mr.T.M.Sukumaran, Mr.Antony Elenjikal etc who were unanimous on the need for the formation of an Association of Electrical Goods dealers in Kerala.
