**We are Leading Manufacturer of fancy traditional Earring, Traditional Necklace Malasets. KEVA Art Jewellery is a leader at Mumbai's market as we have wide range of variety with complete in house manufacturing unit.**

## About Us

Established in the year **2011**, we, “**Keva Art Jewellery**” are a prominent manufacturer and supplier of an exclusive array of **Artificial Pendants, Earring & Jewellery Sets**. By employing latest technology, our experts develop these jewellery in consonance with the prevailing market trends. Use of red green and blue transparent glass, ruby, emerald, sapphire for developing jewellery highlights the intricate gold work in the best possible manner and further make these high in fashion appeal. Available in alluring designs & marvelous patterns, these jewellery can also be customized as per the specific choices of our valuable clients. Offered at market leading prices, these jewellery are known for their features such as, smooth & shaped edges, excellent finish and long lasting sheen. Strongly backed by our team and hi-tech infrastructure, we have been able to come up with a classy range of jewellery. After being developed, these products are checked on well defined parameters by our quality controllers so as to ensure their flawlessness. Further, these jewellery are properly packed in attractive boxes as per our clients demands and are timely delivered at their premise. Our customized solutions, ethical business practices and client-centric approach has enabled us to garner a vast client-base across the country. Under the competent leadership and constant motivation of our proprietor...
