We established in **2008**, **Khalsa Automobiles**, as a foremost **manufacturer, trader** and **supplier** of a quality approved assortment of **Motorcycle Meter ,Automotive Instruments.**

Meter Assy.

## About Us

We established in **2008**, **Khalsa Automobiles**, as a foremost **manufacturer, trader** and **supplier** of a quality approved assortment of **Motorcycle Meter, Automotive Instruments, Flasher, Two Wheeler Horn, Horn Relay, Two Wheeler Side Indicator, Master Worm, Piston Rings** etc.

Demanded extremely by numerous automobile industries, offered products have been designed with extreme precision and correctness. These products are highly esteemed by the customers for their best performance, enhanced service life, durability and hassle free installation. All our products are tested on various guidelines of quality. Delivered products are manufactured by utilizing best grade components at our end. Besides, we are offering these products at economical price and delivered within prescribed time frame.

We have established well-appointed infrastructure ability. Our infrastructure facility is armed with all the requisite machines and tools for the developing of the provided products. For hassle free business process, we have alienated our facility into numerous parts. This progressive facility allows us to manufacture in agreement with the varying demands of these products within the recommended time frame. To manage these segregated parts, we have selected a team of expert professionals.

**Mr. Gagandeep Singh**, our mentor, has leaded us to become a noticeable name in the specified business in little time frame. Owing to his massive...
