We are the leading exporters of all kinds of banarsi sarries and dressed materials. All our products manufactured by using quality natural fibers.

About Us

Khan fabrics is representing the rich culture and tradition of the art of handloom weaving of eastern part of India. The handloom technique is one of the key inventions of human race. From spinning yarn to weaving a piece of cloth is an example of immense knowledge in engineering as well as experiencing a creative urge. In eastern part of India the weaving tradition is of several centuries. Here the weavers could weave the most finer count of fabrics in the time of emperor Akber. We explore that tradition into our fabrics making it simple yet sophisticated and fashionable. In today's fast life handloom fabrics is an experience of returning to nature. In the midst of urbanization and sophistication the handloom clothing is a feeling of simplicity, freshness, natural.

Khan Fabrics has carved a special niche for itself in the arena of handloom products. We are a leading exporters of all kinds of banarsi sarries & dressed materials. Available in a variety of appealing designs our products are capable of adding more glorious flavours in everyone's persona. We are well supported by advance machines and trained workforce to deliver incomparable products for our valued clients.

With our innovative approach and splendid efforts of our workforce, we are capable to provide awesomely designed products. Our products are fabricated in magnificent designs using quality fabrics. Highly appreciated in global markets, each piece of our product is guaranteed...
