About Us

Khanna Eye Centre was started in 1951 by well renowned Eye Surgeon Dr. B.N. Khanna at Fatehpuri Delhi. Dr. B.N. Khanna is known for his tireless effort for eradicating blindness from our country for over half a century by doing more than six lakhs free surgeries all over India in Bihar, Jharkhand, Bangal, U.P., Haryana, Orissa, Rajasthan etc.

Now Khanna Eye Centre has two high tech, fully equipped centres in Delhi. It is providing best and latest international standard services at affordable price to its patient & attaining new heights.
