We are one of the trusted manufacturers, exporters and suppliers of jewellery for ladies and for men. These are appreciated for their features like elegant designs, lasting polish, eye- catching colors and perfect finish.

About Us

Established in the year 1995, at Delhi, India, **Khoobsurat Art Jewellery** has been engaged in offering its clients an elegant collection of **Jewellery for Ladies and Gents**. Our jewellery collection for ladies includes **Theva, Pendants, Micron Pendant Sets, Necklace, Mangal Sutra** and many others. Keeping in mind the fashion conscious gentlemen of today, we have designed **Bracelets, Rings, Kalangi, Wallet, Wrist Bands** and many other pieces for them. Available in numerous designs and exquisite patterns, these are well-received by our customers based all over the world. Our organization is able to offer its customers an elegant range of Jewellery at the most competitive prices. Owing to the flagship company experience in the domain of real gold, our creative professionals with their skill bring forth an exquisite jewellery collection to our customers. Apart from ensuring the quality of our jewellery items, our professionals are also proficient in custom designing the jewellery pieces as per the specific details of the customers. Headed by our mentor, **Mr. Ashish Bansal**, we have been able to achieve consistent growth. He is backed by rich industry experience, which has enabled us to excel in our business domain. Owing to his in-depth knowledge, coupled with excellent leadership skills, we have been able to secure a leading position for ourselves in this competitive market.
