Trader and supplier of aircraft steel products, engineering steels, aviation products, aerospace sheets and aviation doors.

About Us

Kim Ann Engineering Pte Ltd is a "one-stop supply service centre" offering a comprehensive range of specialty metals and related value-adding services such as material cutting, sizing, machining (blanking, milling, grinding) and heat treatment. We operate from 4 plant facilities in Singapore, coupled with more than 10 overseas service centers in ASEAN, China and India. Our customer base consists of industrial players from the Precision Engineering, Oil & Gas, Electronics and Aerospace / Defense segments. Kim Ann is proud to be the leading Oil & Gas and Aerospace metal stock centre in Singapore with a strong market presence in Asia Pacific.
