

Kishko Chemicals

<https://www.indiamart.com/kishkochemicals/>

We are one of the leading manufacturers, exporters, traders and suppliers of a wide gamut of premium quality **Electroplating, Basic, Degreasing, Phosphating, Metal Stripping, Anti Tarnish and Lacquer Coating Chemicals.**

About Us

Incorporated in **1996**, **Kishko Chemicals** is a leading manufacturer, trader, exporter and supplier of a wide range of premium quality **Electroplating Chemicals, Basic Chemicals, Degreasing Chemicals, Phosphating Chemicals, Metal Stripping, Anti Tarnish** and **Lacquer Coating Chemicals**. These products are known for their excellent quality, purity, higher concentration, convenient handling and efficient results. To ensure the quality of these products we formulate them from high end material. All the material we use are procured from reliable sources and are in compliance with the industry standards. Modern technology and advanced machinery enable us to produce fine quality products of international standards. Our skilled and qualified team of professionals are the back bone of the company facilitating the production of innovative products. On the other hand the services rendered by us are widely appreciated for their efficiency, promptness and fine quality. All the services are provided by skilled professionals who are well versed in the latest techniques and machinery. The efficiency and quality of all the products is sustained through the strict quality control measures undertaken in our facility. Committed to cost effective quality solutions to our clients we maintain a large and efficient infrastructure. This includes our large manufacturing units that assist the production of bulk products. These units employ...

CHEMICALS FOR INDUSTRIAL ELECTROPLATING

Tin Plating Chemical

Alkaline Copper Plating Chemical

Nickel Plating Chemical

Zinc Plating Chemical

ANTI TARNISH CHEMICALS

Silver Anti Tarnish Chemical
(By Immersion)

Silver Anti Tarnish Chemical
(By Electrolysis)

Brass Anti Tarnish Chemical
(By Immersion)

Copper Anti Tarnish Chemical
(By Immersion)

PASSIVATION CHEMICALS

Black Passivation Chemical

Hexavalent and Trivalent Blue Passivation Chemical

Hexavalent and Trivalent Yellow Passivation Chemical

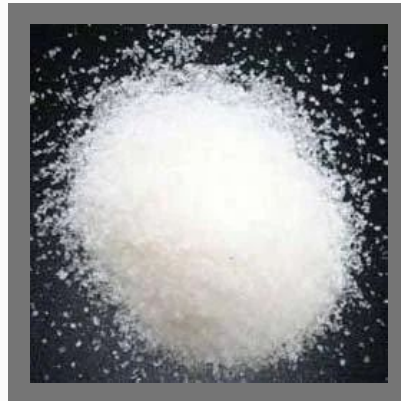

Olive Green Passivation Chemical

ELECTROPLATING SALTS

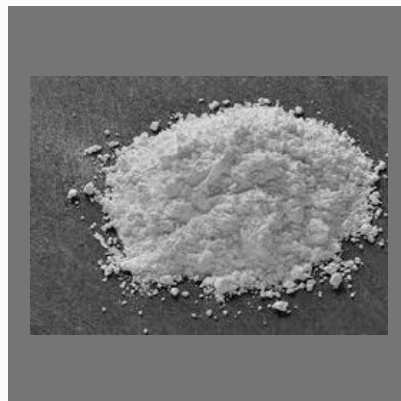

Alkaline Copper Salt

Stanux Tin Salt

Brass Salt

Zinc Salt

OTHER PRODUCTS:

Aluminum Electroplating
Chemical

Stanux TIN Anti Tarnish
Chemical (By Immersion)

Phosphating Chemicals

Phosphating Chemicals

OTHER PRODUCTS:

Stanux Tin Stripper Chemical

Nickel Stripper Chemical (By Immersion Process)

Water Base Lacquer

Solvent Base Lacquer

Factsheet

Year of Establishment : 1996

Nature of Business : Exporter and Manufacturer

Total Number of Employees : Upto 10 People
