About Us

The soul of Tupperware brand is its worldwide sales force. Fusing the quality, craftsmanship and utility – It is this holistic approach that unites all the product categories with one identity, the Tupperware identity! For over 20 years in India, Tupperware has made an unwavering commitment to Enlighten, Educate and Empower women and their families across the globe. Our Vision To sustain Tupperware India's position, as the most effective and premier relationship-based company. To maintain being the marketer of quality, of innovative products and brands. To Inspire confidence in whosoever joins us – Whether our sales force, associates, channel partners, consumers and investors. To strengthen each and every household by empowering the woman. Our Values Our values are the foundation of what we believe and are passionate about achieving. Empowerment We provide professional and business development opportunities to our channel partners and associates, allowing them to realise their potential, achieve success and gain confidence. We take an active role in enhancing their lives and communities. Integrity We strive to do what is right in our words and our actions. Responsibility We are accountable firstly to ourselves, and then to our associates, channel partners, consumers and investors. Innovation We are constantly innovating to keep abreast with the latest trends. Tupperware is committed in developing innovative opportunities, products and...
