Kohinoor Engineering & Iron Works

<https://www.indiamart.com/kohinoorengineering/>

We are engaged in manufacturing, supplying and exporting a quality range of Agricultural Equipments & Ploughs. Products offered by us are reckoned in the market for their hassle free operation, sturdy construction and corrosion resistance.

About Us

Established in **1964**, we have been able to deliver a quality range of **agricultural machineries** and implements such as **Chaff cutter machine, post hole digger, seed cum fertilizer drill, automatic disc plough, M.B. plough** and **Tractor trailers**(tipping and non tipping). All our range of high-quality agricultural machinery and equipment is known for extra ordinary features such as hassle free operation, sturdy construction, corrosion resistance to name a few. We have earned the trust of our clients due to quality, prompt services and transparent dealings. Having been engineered to precision by our skilled professionals, our Agricultural Implements are highly cost effective and perfect in dimensions and size.

We manufacture our agricultural equipments and ploughs using tested grades of stainless steel and carbon steel, among others. Components and parts used in the fabrication of these equipments are also tested on various standards. By employing stringent quality policies at our end, we are able to deliver defect-free and optimum performing equipments to the clients located across the globe. Further, prior to dispatching these equipments to the market, we test these on several parameters. Over these years, we have been successful in earning the trust of clients located across East Asia, Middle East and South America.

Under the guidance of our mentor '**Mr. Kapil Sharma**' (CEO), we have successfully carved a niche in this...
