<https://www.indiamart.com/kokilaengineering/>

We are an **ISO 9001:2008 (TUV)** certified organization engaged in manufacture, supplier and exporter of **Hydraulic Components, Sub Assemblies, Castings and Forging Products.**

## About Us

Established in the year 1980, “**Kokila Engineering Enterprises**” is an ISO 9001: 2008 (QMS) certified organization engaged in manufacturing and supplying **Hydraulic Components, Sub Assemblies, Castings and Forging Products**. With 25 years in core Infrastructure sector, we are able to offer works like construction, mining and earth moving . The company was incorporated by Mr. G Dhanpal. Moreover, our forte lies in offering Hydraulic Components, Auto Components, Sub-assemblies and any precise components for any sector. Our organization has 4 units across India and a corporate office at Bangalore. With strong expertise, KEE has more than 75 well-trained professionals across all the units. We follow a quality conscious approach throughout the manufacturing process, so that our clients are offered with best end results. In order to ensure quality, we keep a tab on the whole process, thus, the quality of our products match the international quality standards. Owing to the huge production capacity, we are able to meet the bulk and immediate requirements of our esteemed clients.

# INDUSTRIAL MACHINERY

We Supply

Lathe Machine

CO2 Welding Machines

Polard (Multi Spindle Drilling Machine)

CNC Machining

## FORGING & CASTING

We Supply

Metal Forgings

Stainless Steel Casting

Bronz Forging

Rings Forging

## TURNUED COMPONENT

We Supply

Piston for Hydraulic Cylinder

Metal Valves

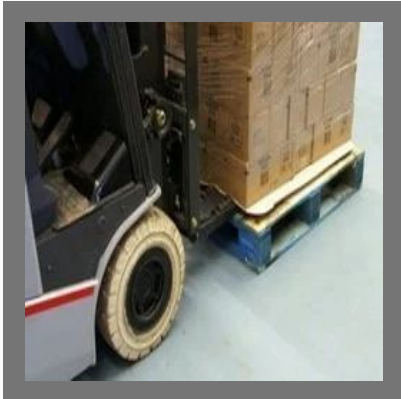

End Fittings For Hose

Cover Plate With Phosphating

# INDUSTRIAL PRODUCTS

We Supply

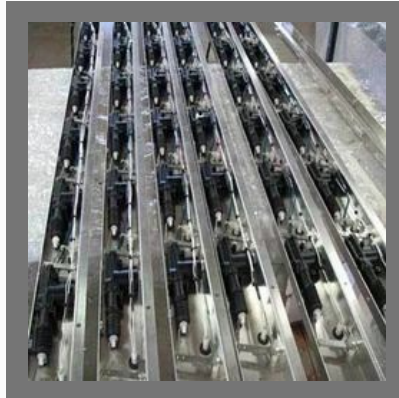

Internal Transport Vehicles

Fire Safety Equipment

Power Backup

Sub-Assemblies

# TURNING MACHINE

We Supply

Pinnacho Turning Centre

Macpower Turning Centers

Victor Turning Centre

# HYDRAULIC CYLINDER COMPONENTS

We Supply

Stainless Steel Cover Plate

Hydraulic Pump Pins

Boss For Hydraulic Cylinders

Tube With Trunion Sub Assembly

## NEW ITEMS

We Supply

Steel Alloy Rod

Carbon Steel Rod

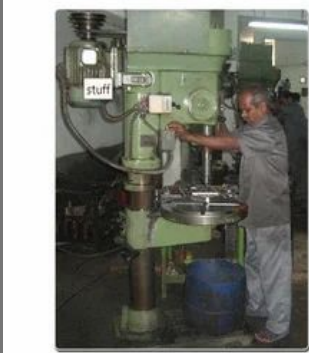

High Carbon Steel Rod

High Carbon Steel Rod

## OTHER PRODUCTS:

Drilling Machine

Guid Block For Train Wagons

Hexagonal Nut

Transport Vehicles

# Factsheet

Year of Establishment	: 1980
Nature of Business	: Manufacturer
Total Number of Employees	: 51 to 100 People
