## About Us

**Kranti Automobiles Ltd.(KAL)** is the flagship company of Bhatia group which has a significant presence in key sectors of the Indian economy .A consistently high performer, KAL is one of the most reputed companies in the country.Set up in **1995** to make general-purpose utility vehicles for the Indian market . The Company has over the years transformed itself into a Group that caters to the Indian markets with a presence in Three Wheelers.Company started its commercial production of 3 wheelers with the brand name of **NANDI**; a Diesel operated 3 wheeler which got hugely popular in a short span of time. Since then, the group has no looking back. The Group went forward to develop Diesel and CNG operated **NANDI SUPER SHAKTI & NANDI JAI HO RE**; in both front and rear engine configuration with state of art technology.Our vehicles are well accepted in the states of U.P., Haryana, Delhi/NCR, Punjab, Bihar, Rajasthan, Assam, Uthrakhand and the numbers are growing day by day which speaks for our commitment for quality and reliability of our products backed with excellent after sales service.The company has operating division with a modern production workshop and manufacturing plant at SIDCUL, Hardwar (Uthrakhand).
