Association of the International Association of Textile Testers
and Traders (IATTT) of Zurich, Switzerland

The company

KAILASH Ribbon Factory Ltd.

B.T. Phase-I
Mehrauli, New Delhi
IN - 110 164 New Delhi, INDIA

is granted authorization according to Oeko-Tex Standard 100 to use the
Oeko-Tex mark, based on test report HKS 0 042 101

**Tested for harmful substances
according to Oeko-Tex Standard 100**

Test-Nr. HKS 10805 TESTEX Zurich

for its following article

Woven and printed labels made of 100% polyester

The results of the inspection have according to Oeko-Tex Standard 100, proved that the
article contains low levels of substances which are harmful to health. The maximum
permissible amounts of the substances are not exceeded.

The further analysis with the instruments of the existing European legislation regarding the
use of dyes is not required.

This label of the certificate, when you receive a clothing article, according to EN 18324, is
designed to use the Oeko-Tex mark and its company will provide the same products with the
same certificate.

This authorization is valid until 31.04.2006

Deko-Text

A member of the International Association for Research
And Technology in Textile Technology

The company

KAILASH Ribbon Factory Ltd.

Plot No. 11
Mehra Industrial Area
IN - 110 064 New Delhi, INDIA

is granted authorization according to Deko-Text Standard 100 to use the
Deko-Text mark, based on test report RM/10/042126

Tested for harmful substances
according to Deko-Text Standard 100
Test-No HKD/20326 TESTEX Zurich

for the following article:

100% spun polyester (sewing thread), dyed

The results of the analytical tests according to Deko-Text Standard 100 proved that the
textile article, from which this test sample was taken, complies with the substance
requirements of the standard (presently unchanged).

The analytical tests fulfil the requirements of the existing European legislation regarding the
use of dyes.

The label of the textile, which bears a reference to the Deko-Text 100, is
eligible to use the Deko-Text mark only in connection with products that are certified with the
Deko-Text mark.

This authorization is valid until 30.04.2008.
